THE 5-A-SIDE PITCH APPEAL

In November 2018, members of the Dale Trust voted to raise money towards the new 5-a-side pitch that will be replace the existing facility at the back of the Pearl Street Stand. Anyone who has see the facility will know that it is urgently in need of replacement.

The total cost of the replacement will be approximately £70,000 but the Football Foundation will contribute 60% of this. This still leaves a shortfall of around £28,000 and it is that which the Trust is raising funds towards.

The new 5-a-side pitch will be invaluable to the Dale Community Trust and will allow them to build on the excellent work that they do within the local community. All profits from tonight's Race Night will go towards to supporting appeal.

A big thank you to all the organisations who have sponsored this event. As always, we ask that our members support the companies that support the Trust in this way. Also thank you to the Football Club who have supplied a number of the prizes for this event.

As well as our sponsors, can we thank everyone who has contributed to the event? Whether that be by becoming a horse owner, sponsoring a jockey, helping to sell the races or by attending tonight. We hope you've had an enjoyable evening, and any feedback on tonight, please email to info@daletrust.co.uk.

Our next Fundraising Event for the 5-a-side pitch is on March 16th when we'll be walking to Accrington Stanley. It's sixteen miles up and down the hills, but it's a great day out and our two previous walks to Accy have seen us rewarded with an away victory. Hopefully we'll see you there.
